62	SC-0095	Digitization of Court Records Phase 3 and Phase 4	SC		Chapter 6	The Digitization of Court Records targets the scanning and indexing of 115 millions of pages of records in the Supreme Court, Court of Appeals, Sandiganbayan, Court of Tax Appeals, and the trial courts. The data (basic case information) and digitized documents that will be the products of the digitization project will then migrated to the Document, Records and Archive Management System (DREAMS) + eCourts project, which will provide a highly-secured web-based system for case and document management, online filing, electronic payments and online notification. Basically, the digitization project paves the way for a future modern and paperless court system. The Digitization of Court Records-Phase 1 and Phase 2, and DREAMS + eCourts projects will be bid out in 2017. 66	SC-0050	Court of Tax Appeals Building III	SC	CTA	Chapter 6	In July 2012, the SC authorized the CTA to construct the 5-storey CTA Building III. The estimated cost of the project was P144,330,000 to be sourced from "the CTA's unprogrammed savings in its continuing appropriations and unutilized share in the Judiciary Development Fund." However, while the project was in its preparatory stage, portions of the budget had to be utilized to cover some other pressing building and structure outlay requirements; hence, the amount reserved for the Building III was reduced to P108,040,302. The CTA already hired a firm to do the detailed architectural and engineering design for the building. The updated project cost estimate is now P337,912,480. Only the remaining unfunded portion of P229,872,178.00 will be requested in 2018.	Region-Specific	NCR	LFP	2018	2019	-	229,872,178.00	-	-	-	-	-	229,872,178.00
