

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Chapter 8: Expanding Economic Opportunities in Agriculture, Forestry, and Fisheries		
Post-harvest losses of key agricultural commodities reduced (% , cumulative)	<p>Initial ARBO income generated from facility in a span of three months is PHP 30,000.00.</p> <p>23,360 out of 25,598 sqm solar driers constructed. 25 agrarian reform beneficiary (ARB) organizations (about 1,250 farmer beneficiaries) were able to dry their palay using said facility.</p> <p>At least 10,829 farmers trained on appropriate technologies on crops/ high value crops production in 10,622.05 ha of agricultural lands.</p>	<p>Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy</p> <p>Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA</p>
Number of group beneficiaries provided with technical support services increased	86 out of 130 newly organized and strengthened people's organization/ community groups were trained in managing livelihood, agroforestry, and infrastructure projects.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/ DA/ IFAD
Number of fisherfolks provided with production support	485,736 out of 724,313 fisherfolk trained in coastal resource management (CRM) and fisheries local enforcement teams (FLET) trainings.	Fisheries, Coastal Resources, and Livelihood Project (FishCORAL)/ DA/IFAD
Number of group beneficiaries provided with agricultural and fishery machineries and equipment increased	29,972 out of 45,000 proponent group members operating viable enterprises in production and productivity enhancement, and post-harvest and processing facilities.	Philippine Rural Development Project (PRDP)/DA/WB

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Share of small farmers adopting new technologies to total number of small farmers trained with new technologies increased (% , cumulative)	Farmers practice the techniques in organic farming, production of natural insect repellent/concoctions, making organic fertilizers and proper soil care and management.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	2,316 of ARBs trained on organic farming.	
	114 out of 106 target farmers field schools established.	
	Farm income derived from new farming activities increased by 10%.	Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA
	9,870 out of 10,829 (91%) trained farmers used improved/ new technologies.	
Share of small farmers borrowing from formal credit sources to total number of farmers availing credit increased (% , cumulative)	100 training workshops for secondary crops conducted.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/ DAR/ IFAD
	1,678 farmers have access to agricultural production credit from the LBP and other financing institution in the amount of PHP 70 million from 2018 to 2020 for production and working capital needs.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
Area distributed under CARP increased	6,667 ha were awarded with individual Certificate of Land Ownership Award (CLOAs) to 5,386 ARBs in the 11 ARC clusters.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
Area of collective CLOAs subdivided increased	15,214 out of 20,517 (or 74.15%) ha of lands surveyed for land parcelization.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	Land survey conducted in 1,791 ha.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD

Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs Indicator	Outcomes/ Outputs	Project
Number of registered fisherfolk provided with livelihood projects	25,312 out of 219,959 registered fisherfolk ¹ provided with livelihood projects.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/ DA/IFAD
Growth in labor productivity of farmers and fisherfolk increased (% , in real terms)	6,549 out of 78,000 farming households participated in the Detailed Investment Plans	RAPID Growth Project/DTI/IFAD

Chapter 9: Expanding Economic Opportunities in Industry and Services through Trabaho and Negosyo

RMs Indicator	Outcomes/ Outputs	Project
Proportion of small-scale industries in total industry value added increased	4 out of 20 pools of qualified service providers established	RAPID Growth Project/DTI/IFAD
Number of MSMEs participating in Global Value Chains	6,549 out of 78,000 farming households participated in the Detailed Investment Plans	RAPID Growth Project/DTI/IFAD
Number of MSMEs/Cooperatives integrated into corporate value chains increased	26 Small and Medium Enterprises and 161 Cooperatives	Harnessing Agribusiness Opportunities through Robust and Vibrant Entrepreneurship Supportive of Peaceful Transformation (HARVEST) Project/LBP/JICA
Number of Negosyo Centers established	4 out of 20 Negosyo Centers established	RAPID Growth Project/DTI/IFAD
Prescribed percent of allocation for micro and small enterprises to total bank loan portfolio attained (%)	4 out of 10 Financial Service Providers extend innovative, value-chain based financial services	RAPID Growth Project/DTI/IFAD
Prescribed percent of allocation for medium enterprise (%)		

Chapter 10: Accelerating Human Capital Development

RMs Indicator	Outcomes/ Outputs	Project
Net enrolment rate increased (%)	3.24 million senior high school enrolled in SY 2018-2020	Secondary Education Support Program (SESP)/ DepEd/ADB
<ul style="list-style-type: none"> • Kindergarten • Elementary • Junior High School 	8.34 million junior high school enrolled in SY 2020-2021	Senior High School Support

¹ There are 704 people's organizations (POs) formed and strengthened by the project with 12,681 males and 12,631 females or a total of 25,312 fisherfolk.

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
<ul style="list-style-type: none"> Senior High School (SHS) 	<p>2,784 children aged 5 to 7 enrolled in Abot Kaalaman sa Pamilyang Bangsamoro's (AKAP) first alternative delivery mode (ADM) initiative</p>	<p>Program (SHSSP)/DepEd/ADB</p> <p>Education Pathways to Peace in Mindanao/ MBHTE and DepEd /DFAT</p>
<p>Completion rate increased</p> <ul style="list-style-type: none"> Kinder to Grade 6 Grades 7 to 12 	<p>76.71% of school-cohorts in Grade 7 completed SHS in SY 2019-2020</p> <p>Provided education access to 674 learners during the pandemic, allowing them to complete elementary education through alternative delivery mode</p>	<p>Secondary Education Support Program (SESP)/ DepEd/ADB</p> <p>Senior High School Support Program (SHSSP)/DepEd/ADB</p> <p>Education Pathways to Peace in Mindanao/ MBHTE and DepEd /DFAT</p>
<p>Proportion of students performing at moving towards mastery, closely approximating mastery or mastered increased (%)</p> <ul style="list-style-type: none"> Elementary Junior High School SHS 	<p>2,629 classrooms (exceeding original target of 2,623) provided with 145,455 teaching and learning materials.</p> <p>11,910 teachers (exceeding original target of 4,558) trained on remedial reading program.</p> <p>3,323 schools (exceeding original target of 1,781) conducted remedial reading programs with 345,878 learners.</p> <p>Provided 3.91 M supplementary reading materials to 200,713 K-3 students, and 7,245 teachers from 1,194 schools.</p> <p>7,619 teachers trained on language learning and transitions, supported by 530 regional trainers, 93 DepEd Training Managers, and 190 ITO and ICT Coordinators trained by ABC+ for improving literacy in school and at home</p>	<p>Education Governance Effectiveness (EdGE) Program/ DepEd/USAID</p> <p>Advancing Basic Education in the Philippines (ABC+)/ DepEd/USAID</p>
<p>Tuberculosis incidence decreased (per 100,000 population)</p>	<p>3,337 multi-drug resistant TB cases detected.</p> <p>3,265 multi-drug resistant TB cases proceeded to second line treatment.</p>	<p>Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID</p>

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Adolescent birth rate (aged 15-19) decreased (number of births per 1,000 women in that age group)	94.3% of USG-assisted service delivery sites provided family planning counselling and/or services	Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID
Proportion of women of reproductive age (15-49 years old) with unmet need for modern family planning (FP) decreased (%)		
Percent of out-of-pocket expenditure over total health expenditure decreased	67% of audience can recall hearing or seeing a specific USG-supported family planning/reproductive health message.	Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID
National Health Insurance Program availment rate increased	Five Universal Health coverage (UHC) areas supported by USG investment. Presence of the mission support to strengthen Human Resources for health. 7% average stock out rate of contraceptive commodities at FP service delivery points.	Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID
Proportion of women of reproductive age (15-49 years old) with unmet need for modern family planning (FP) decreased (%)	340,560 new FP acceptors in USG-assisted sites.	Development Objective Agreement (DOAg) for Improved Health for Underserved Filipinos/ DOH/ USAID

Chapter 11: Reducing Vulnerability of Individuals and Families

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Number of Conditional Cash Transfer (CCT) beneficiaries covered	4,324,680 (98.3%) active CCT household beneficiaries registered started receiving higher amount of cash grants after the passage of the Republic Act No. 11310 which took effect on the pay period six of 2019 covering the months of December 2019 and January 2020.	Social Protection Support Project Additional Financing (SPSP-AF)/ DSWD/ADB; Second Social Welfare and Development Reform Project Additional Financing (SWDRPII AF)/DSWD/WB; and,
	Monthly health subsidy of PHP 750 and educational assistance of PHP 700, PHP 500, and PHP 300 provided to students in senior high school, junior high school, and elementary school, respectively.	Second Social Protection Support Project Additional Financing (SPSP-AF II)/DSWD/ADB Expanded Social Assistance Project (ESAP)/ DSWD/ADB
		Beneficiary FIRST Social Protection Project (Beneficiary FIRST)/ DSWD/ WB
Chapter 16: Promoting Competition		
Number of capacity building activities conducted	1 competition-related training program established	Capacity Building to Foster Competition Project/ PCC/ ADB
	10 doctor of philosophy and master's level fellows enrolled	
	34 short-term secondments and non-degree trainings undertaken	
Chapter 19: Accelerating Infrastructure Development		
New roads constructed (lane km, cumulative) ²	1,123.9 km out of 2,105.56 km of FMRs including FMR with bridge completed.	Philippine Rural Development Project/DAWB Philippine Rural Development Project – AF/DA/WB

² This is the nearest RM Indicator which these projects with FMRs contribute to.

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
	70.4 km out of 86.0 km of FMR rehabilitated.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/DA/IFAD
	32 km out of 136 km of FMRs constructed/ rehabilitated.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
	Average travel time of beneficiaries in project area reduced from a maximum of one hour to 15 minutes. Transportation and hauling costs reduced by 20 to 30 percent from the previous fare rate.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	3.3 km gravel road rehabilitated.	
	Travel time reduced by 32% in completed FMRs. Transportation cost for 1 sack of rice reduced by 11%.	Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA
	219.93 km out of 395.2 km of FMRs constructed/rehabilitated.	
	16.23 km of FMRs constructed.	Forestland Management Project (FMP)/DENR/JICA
	85km access road rehabilitated.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ ADB & IFAD
	26.47 km of roads and bridges constructed.	Central Luzon Link Expressway (CLLEX)Project / DPWH/ JICA
	4.34 km of roads constructed.	Samar Pacific Coastal Road Project (SPCR)/ DPWH/ KEDCF
	4.43 km of road with bridge constructed	Arterial Road Bypass Project (ARBP III)/DPWH/JICA

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
	28.89 km of road constructed	Improving Growth Corridors in Mindanao Road Sector Project (IGCMRSP)/DPWH/ADB
Proportion of households with access to safe water supply to total number of households increased	Time to fetch water reduced by 54% from 13 to 6 minutes.	Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA
	Incidence of cases of water-borne diseases reduced by 51% from 7.9% to 3.9%.	
	25 units of potable water supply (PWS) systems rehabilitated/ constructed benefiting 6,741 households in twelve settlement areas.	
	234 out of 450 households provided access to safe water supply.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
	Two units of level 1 PWS system constructed.	
	Time to fetch water reduced from 3 hours to 30 minutes.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	3490 household members provided with access to safe water supply.	
	89 units (or 100.00%) level 1 PWS system completed, benefiting 890 household members.	
8 out of 20 units (or 42%) level 2 PWS systems completed.		
Constructed Tunnel No. 4 (including intake and outlet works).	Angat Water Transmission Improvement Project/MWSS/ADB	

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Average travel time by road with roll-on roll-off (RORO) in key corridors decreased (hours)	<p>Travel time from Lipa Floral Garden Junction, Batangas to Alaminos Junction, Laguna reduced by 75 minutes, from 95 to 20 minutes</p> <p>Travel time from San Jose-Rizal Road Section to Mamburao-Abra De Ilog Road Section, Mindoro Province reduced by four hours, from about seven to eight hours to about three to four hours.</p> <p>Travel time from Viga-Bagamanoc Section to end of Bacak-Minaile Section, Catanduanes reduced by 46 minutes, from 74 to 28 minutes.</p> <p>1,206.22 km of roads built, and 93 units of institutional capacity development delivered as of December 2020.</p>	<p>Road Upgrading and Preservation Project (RUPP)/DPWH/ JICA</p> <p>Road Improvement and Institution Development Project (RIIDP)/DPWH/ ADB</p>
Travel speed by road in key corridors increased (kph)	<p>Travel time from Iloilo to Capiz reduced by one hour, from three to two hours.</p> <p>Travel time from Dipolog City to Oroquieta City reduced by 30 minutes, from one hour and 30 minutes to one hour.</p> <p>Travel time from Butuan-Cagayan de Oro-Iligan reduced by one hour, from six to five hours.</p> <p>Travel time from Palo-Carigara-Ormoc reduced by one hour, from two hours and 45 minutes to one hour and 45 minutes.</p> <p>Travel time from Bauang, La Union to Baguio City reduced by 30 minutes, from one hour and 15 minutes to 45 minutes.</p> <p>Travel time from Olongapo to Bugallon reduced by one hour, from two hours and 30 minutes to one hour and 30 minutes.</p> <p>Travel time from Bukidnon to Cotabato reduced by one hour and 15 minutes, from two hours and 45 minutes to one hour and 30 minutes.</p> <p>Travel time from Butuan-Cagayan de Oro-Iligan reduced by one hour, from six to five hours.</p>	<p>Road Improvement and Institution Development Project (RIIDP)/DPWH/ ADB</p>

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Ratio of flood-protected areas to the total flood-susceptible areas increased (% , cumulative)	Contributed in the reduction of flooding incidence in Cagayan and Tagoloan river.	Flood Risk Management Project – Cagayan, Tagoloan and Imus River (FRMP-CTI)/DPWH/JICA
	Several flood control facilities constructed along the Cagayan river (2,482 m revetment) and Tagoloan river (642 m revetment) flood protection dike upstream of Tagoloan River and downstream of Tagoloan river (1,917 m revetment).	
	Contributed in the reduction of flooding incidence in Metro Manila through rehabilitating 1 Pumping Station (<i>Balut</i>)	Metro Manila Flood Management Project (MMFMP)/ DPWH/ WB and AIIB
	Ongoing civil works with 63% accomplishment	Flood Risk Management Project for Cagayan de Oro River/DPWH/JICA
	Ongoing civil works with 46.38% accomplishment	Integrated Disaster Risk Reduction and Climate Change Adaptation Measures in Low Lying Areas of Pampanga/DPWH/KEDCF
Ratio of actual irrigated area to the total potential irrigable area increased	Cropping intensity increased from 2% to 2.5% in project areas.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	127 of target 417 ha (or 30.4%) of irrigated lands rehabilitated servicing 127 out of target 470 ARBs. 1,928.25 ha of target 2,080 ha (or 92.7%) land irrigated by five completed communal irrigations systems.	Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA
Developed new service areas increased (ha)	493 ha new irrigation areas generated.	Jalaur River Multipurpose Project, Stage II/ NIA/ KEDCF
	Ongoing civil works with 66.06% accomplishment	Chico River Pump Irrigation Project/NIA/China
Rehabilitated irrigation service areas increased (ha)	23,211 of target 23,610 ha (or 98.3%) irrigation areas rehabilitated.	National Irrigation Sector Rehabilitation and Improvement Project/ NIA/ JICA
	8,323 ha out of 22,340 ha of irrigation areas rehabilitated.	Jalaur River Multipurpose Project, Stage II/ NIA/ KEDCF
Restored irrigation service areas increased (ha)	120 ha irrigation areas restored.	Jalaur River Multipurpose Project, Stage II/ NIA/ KEDCF

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
	3,686 of target 10,606 ha (or 34.8%) irrigation areas restored.	National Irrigation Sector Rehabilitation and Improvement Project/ NIA/ JICA
Coverage area of irrigation facilities increased (ha, cumulative)	2,536 of target 2,816 ha (or 90%) irrigated from 19 completed community irrigation systems.	Philippine Rural Development Project/DA/WB
	263 of target 482 ha (or 54.6%) irrigated from two completed/rehabilitated communal irrigation systems.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/DA/IFAD
Passenger trips via rail in Metro Manila increased (in % share to total passenger trips, cumulative)	Construction of existing and new satellite depot is 43.20% completed (against 59.26% target).	Capacity Enhancement of Mass Transit Systems in Metro Manila - LRT Line 1 South extension/DOTr/JICA
Total length of standard gauge rail tracks increased (km, cumulative)	Manufacturing/supply of 120 light rail vehicles (LRVs) is 42.29% completed (against 43.95% target).	
	Construction of 11.7 km railway and eight stations is 45.90% completed (against 68.80% target). Construction of 3.79 km viaduct is 100% completed.	Capacity Enhancement of Mass Transit Systems in Metro Manila - LRT Line 2 East extension/DOTr/JICA
	Construction of two stations is 96.30% completed (against a target of 100.00%). Electro-mechanical works is 86.46% completed (against 89.57% target).	
	65,892 of 65,892 (100%) linear meters of rail replacement completed	Metro Rail Transit Line 3 Rehabilitation Project/DOTr/JICA
	CP01 (construction of elevated structures, six stations, and depot) 8.93% completed against a target of 36.67%.	North-South Commuter Railway, Phase 1 (Malolos-Tutuban) /DOTr/JICA
	CP02 (construction of elevated structures and three stations) 15.76% completed against a target of 53.65%.	
	CP03 (manufacturing of rolling stocks) 37.93% completed against a target of 38.81%.	

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Round-trip flights increased (number of flights, cumulative)	Air Traffic Management Center and automation 100% completed.	New Communications, Navigation and Surveillance/Air Traffic Management Systems Dev't/ DOTr/ JICA
Number of night-rated airports increased	Surveillance and communications component 100% completed. One additional night-rated airport constructed.	New Bohol Airport Construction and Sustainable Environment Protection Project/ DOTr/ JICA
Maritime incidents responded (in % of total no. of incidents reported, cumulative)	2,746 rescue/monitoring missions conducted via maritime vessels.	Maritime Safety Capability Improvement Project for the Philippine Coastguard, Phase I/ DOTr/ JICA
	All ten Multi-Role Response Vessels (MRRVs) delivered.	Philippine Ports and Coast Guard Capability Development Project/ DOTr/ AFD
	All four fast patrol boats (FPBs) and one offshore patrol vessel (OPV) delivered	Maritime Safety Capability Improvement Project for the Philippine Coastguard, Phase I/ DOTr/ JICA
		Philippine Ports and Coast Guard Capability Development Project/ DOTr/ AFD
Classroom to pupil ratio improved • Primary • Kindergarten • Grades 1-3 • Grades 4-6 • Junior High School • SHS	60 percent of DepEd senior high schoolers with an average of 40 to 45 students meeting the minimum service standards.	Senior High School Support Program (SHSSP)/DepEd/ADB
Volume of desludged and/or treated septage in water districts (WDs) increased (m ³)	17,000 cu m wastewater treated.	Metro Manila Wastewater Management Project (MMWMP) / LBP/WB
Chapter 20: Ensuring Ecological Integrity, Clean and Healthy Environment		
Area of denuded and degraded forestland decreased	4,372 of target 7,648 ha in 205 barangays covered by agroforestry and tree crops production projects.	Mindanao Sustainable Agrarian and Agriculture Development (MinSAAD)/ DAR/ JICA
	24 sub-watersheds (100% of target) characterized, surveyed, and mapped.	Forestland Management Project (FMP)/ DENR/ JICA
	Two Watershed Management Councils and one Participatory Management Board formed to provide effective management of the three river basins.	

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
	8,556 ha of natural of forestland rehabilitated through reforestation.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	13,317 ha of natural forestland rehabilitated through assisted natural regeneration (ANR)	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	18 watershed management plans that stipulate the O&M and investment mechanisms for said watersheds were adopted by watershed management councils.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	14,307 ha of agroforestry with community participation established.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	30 ha degraded forestland developed and maintained using ANR technology.	Facilitating the Participatory Planning of Community-Based Forest Management Using Geographic Information System and Remote Sensing Technologies/ DENR/AFoCo-CFM
Forest cover increased (in millions of hectares)	A third-party validation showed at least a 91% survival rate of planted tree seedlings	Forestland Management Project (FMP)/DENR/JICA
	80,152 hectares of forestlands effectively protected through community-based monitoring	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
Area planted with mangroves increased (ha)	433 of target 1,100 ha mangrove areas rehabilitated.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD
Number of coastal municipalities and cities with delineated municipal waters increased (annual)	72 out of 103 LGUs municipal waters with accompanying zoning ordinances delineated.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Number of community fish landing centers (CFLC) established (cumulative)	All of the 11 target Community Fish Landing Centers established.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD
Percentage of priority water bodies within water quality guidelines increased (BOD)	6,403 tons of biochemical oxygen demand (BOD)/year removed by sewerage treatment plants.	Metro Manila Wastewater Management Project (MMWMP)/LBP / WB
Area of forestland under effective management increase (ha millions)	69,324 ha of forest plantations that include silvopasture, fuelwood, and enrichment planting established.	Forestland Management Project (FMP)/DENR/JICA
	149 Peoples Organizations identified, assessed and organized / registered with appropriate agencies	
	149 Peoples Organizations considered as “performing”, or categorized as “Level A”, in terms of organizational maturity based on a series of organizational assessment activities	
	233 barangays capacitated in developing land management systems for reduction of carbon dioxide emissions	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
Employment from ecotourism and sustainable resource-based industries increased	Income of POs increased by 69%. 19 agroforestry support facilities providing access to markets and expanding volume of agricultural production completed. A total of 101 Land Tenure Instruments were awarded to partner Peoples Organizations that would allow for the management and cultivation of certain parcels of forestlands 88 Peoples Organizations engaged in livelihood enterprise activities	Forestland Management Project (FMP)/DENR/JICA
Area of protected terrestrial areas with high biodiversity values effectively managed increased (ha)	Expanded National Integrated Protected Areas System (NIPAS) signed into law.	Biodiversity Finance Initiative (BIOFIN)/DENR/UNDP

**Results of ODA Projects and Programs
and their Alignment with the PDP-RMs**

RMs Indicator	Outcomes/ Outputs	Project
Quality of coastal and marine habitats under NIPAS MPAs and other priority coastal and marine conservation areas improved	25 marine/mangrove protected areas in Batangas Province completed. ICM Assessment Report on 32 provinces (with estimated total shoreline of 9,747 km) completed and disseminated.	Scaling up Implementation of the Sustainable Development Strategy for the Seas of East Asia (SDS-SEA)/DENR/GEF
Coverage of protected areas relative with total marine areas maintained	Documents declaring and supporting the establishment and management of the following MPANs in the three project sites approved: (a) Verde Island Passage (1,000,000 ha); (b) Davao Gulf (5,000 ha); and (c) Lanuza Bay (147,238 ha).	Strengthening the Marine Protected Areas to Conserve Marine Key Biodiversity Areas Project (SMARTSEAS)/ DENR/ GEF-UNDP
Area of marine protected areas under NIPAS effectively managed increased	All five project sites in regions IV-A, IV-B, VII, IX, and Caraga have achieved the desired increase in environmental quality scores.	
Biodiversity and functioning of ecosystem services sustained	Island-wide review of the Wildlife Act conducted in Clark City, Cebu City, and Butuan City. 136 payments for ecosystem services or tourism initiatives supported.	Project on Illegal Wildlife Trade / Combatting Environmental Organized Crime in the Philippines (IWT)/DENR/GEF Protect Wildlife Project (PW)/ DENR/USAID
GHG emissions per sector reduced (million MT CO2)	Country's compliance with set quota for consumption of HCFC-bearing products monitored. Licensing system to limit the consumption of ODS (HCFC) established. ODS regulation and licensing system enforced.	ODS-Institutional Strengthening Project – Phase XII (ODS-ISP)/ DENR/ UNEP
Solid waste diversion rate increased	An MRF that would be converted into a TSD facility for WEEE, was identified in Caloocan City and will undergo retrofitting	Implementation of Polychlorinated Biphenyl Management Program with Electric Cooperatives and Safe E-Waste Management (PCB-WEEE)/ DENR/ GEF-UNIDO
